Dear Parents

Following the latest government announcement Willenhall Community Primary School is closed to most children until further notice.

### **Children of Key Workers and Vulnerable Children**

We will be open to children of key workers and vulnerable children from tomorrow - Wednesday 6<sup>th</sup> January. If your children fall into either of these categories you will receive a phone call from the school to confirm arrangements today.

Children should enter through the same entrances and at the same time as they were doing last term. We expect that children will be having their usual meal (i.e. packed lunch or school meal) unless parents contact us to advise otherwise. The school kitchen will be providing hot meals every day. However, the menu will not follow the published version but children will be advised each morning what is available for them to choose from.

### **Nursery Provision**

For the time being Nursery will be closed to all children with the exception of vulnerable children and the children of key workers. We will contact nursery parents in due course if this arrangement changes.

### **Free School Meals**

We are awaiting clarification as to how free school meals will be provided for children who are not attending school. We will be in touch as soon as we have any information.

**Please be aware that any free school meal provision for children who are not attending school only applies to children who are eligible for benefit-related free school meals.** If you think that your child is eligible for benefit-related free school meals you must apply online via [www.coventry.gov.uk/freeschoolmeals](http://www.coventry.gov.uk/freeschoolmeals)

### **Breakfast Club**

We are not in a position to provide our usual breakfast club service at the moment. If you have already made a payment for January, this will be credited against your next invoice once the service resumes.

Thank you for your continued support.
