Dear Parents and Carers,

Since returning to school after the partial closure this year, our bookshelves are looking a little empty. Your child may have taken school books home to read over the last few months that they have been doing remote learning and they might not have realised they still have them.

Please could you have a good look at home for any books that might belong to school and bring them back in so that we can have a full library for all of the children to enjoy. Any books that belong to school will have a Willenhall Community Primary School stamp on the first page so that you know it belongs to school.

Please send any books that you find into school with your child and they can return them to their class teacher.

Many thanks,

Miss Knowles
