Dear Parents and Carers,

10th May 2021

As reading is such a high priority in school, we have made the decision to give the children each a reading diary specially designed for our school. Inside the reading diary, there are lots of helpful resources and tips so that you and your child can share the positive experience of reading at home. We have used reading diaries previously and feel that they are a good way for you and your child's teacher to communicate about reading.

We are setting high expectations for our children and expect them to be reading every night after school and this can then be recorded and signed. When your child reads with a teacher or support staff in school, this will also be recorded in their reading diary so that you know what they have been working on and can continue with this at home.

If you have any questions about this, please do not hesitate to ask.

Many thanks,

Miss Knowles

Ambitious young minds are the future leaders of our community
