Affinity
Federation

20th July 2021

Dear Parents and Carers,

We do hope that you all remain safe and healthy over the Summer holiday. However, we have been asked by the Government to monitor any positive Covid cases in our school community for the first 6 days of the holiday so that we can track and trace contacts.

If anyone in your household tests positive up to and including 27th July, you must inform school via email welfare@willenhallprimary.org or phone **07747 214115**. Please leave a message, or send a text, giving your child's name, class, date of the positive test and who tested positive. Please send a screenshot of the result and leave a telephone number that you can be contacted on.

This information means that we will be able to identify any child or member of staff who will need to isolate over the school break enabling us to reduce the risk to as many people as possible.

You can visit our [COVID-19 page](#) on the school website for more information.

Thank you for your co-operation.

Ms Knowles
Head Teacher
