Dear Parent / Carer,

5th July 2021

We are fast approaching the end of what has been a very challenging year and would like to wish all of our community a great summer. Over the course of the next couple of weeks, we have a number of key events occurring, including parents' evenings and our transition days for pupils moving in to their new classes.

As a result of COVID restrictions, we cannot run our transition days in the way in which we would normally, however we have organised a meet and greet with pupils and their new teacher to ensure pupils are aware of who will be teaching them next and to allow pupils time to ask questions of, and to find out about, their new teacher.

To keep you informed, the table below details the class names and the corresponding teacher. Please do not hesitate to contact us if you have any questions or concerns. Your child will be told as part of the class transition who their new teacher is.

We have several staffing changes at school in September. Mr Gale is leaving at the end of the Summer Term to take up a headship at another school in Coventry and both Miss Clark and Miss Fraise will be getting married over the summer holidays. In addition, Miss Perks, Mrs Higginson and Mrs McGovern are leaving us to take up new roles in September. I am sure you will join us to wish them the very best.
