The Stone Age Workshop – 23rd November 2021

Dear Parent/Carer

As part of your child's ongoing educational experience, we have arranged for Year 3 to take part in an all day workshop at school. The workshop will be about **The Stone Age** which is our Humanities Topic at the moment. The workshop is presented to the pupils by the expertise of a visiting company called '**Portals to the Past**'.

We would like this to be a memorable day for the children, so we would like the children to dress up as a Stone Age child for the day. There are some examples below of what your child could wear. Please be aware that they will still have playtime and lunchtime outside, so they will need sensible footwear and a coat.

We request your support with a voluntary contribution of **£3.00** per child (*the total cost of the workshop is £7.00 per child, the school will be subsidising the remaining cost*), this payment should be made [via Pay360](#) by **Monday 15th November**. If you need any help to access Pay360 please contact the School Office.

We are always grateful for your contributions to your child's education and hope you feel these workshops are worthy of continued support which ensures events like this can take place and consequently enhance your child's learning. **If voluntary contributions do not meet the cost of the workshop, then it may be cancelled.** However, no pupil will be excluded because his/her parents cannot afford to contribute at a particular time. If this is the case, please make an urgent appointment to meet with Ms Knowles in confidence.

Yours sincerely,

Mrs Openshaw and Ms Dobos
Year 3 Class Teachers

Ambitious young minds are the future leaders of our community
