

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022**.

Everything the NSPCC does protects children today and keeps them safe tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

«  » On average, a child contacts Childline every **25 seconds**

Making maths meaningful

To help support this charity and to drive a passion for mathematics, we are inviting children to come into school dressed as anything that is related to maths. This could be as simple as a football shirt with a number on it or as elaborate as coming dressed up as a shape!

There will also be fun maths activities and competitions running on Times Table Rock Stars.

It all adds up

Throughout the day we will be collecting voluntary contributions for the charity with a suggested donation of 50p. We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Willenhall Community Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you and best wishes,

Mr S. Keeling
