

Welcome to our school

We welcome visitors to Willenhall Community Primary School.

Our priority is to ensure our school remains a safe place for children, staff and all other members of our school community.

All visitors to the school should be by appointment only and will receive an email invitation with pre-visit safeguarding and health & safety information. On arrival you should report to the school office where you will be required to sign in electronically. You will be provided with a visitor's badge and this must be clearly displayed throughout the visit.

Please sign out when leaving.

We ensure that all adults who work or volunteer in our school are subject to the appropriate security and appointment checks including Disclosure and Barring System (DBS) checks.

If you have any concerns, we will always listen to them and seek to address them in line with our complaints policy.

What is safeguarding?

Visitors coming on to school premises, including the playground, have a duty of care towards the welfare and safety of the children and adults in the school. This is called safeguarding.

Safeguarding means that:

- children are protected from maltreatment
- a child's health or development is protected
- children grow up with safe and effective care
- action is taken to ensure the best outcomes for all children

Safeguarding is the action we take to promote the welfare of children in our care to protect them from harm. **We take this responsibility very seriously.**

Child Protection

This is the process of protecting children who may be suffering from, or at risk of, significant harm. This includes physical abuse, sexual abuse, neglect, and emotional harm.

Child protection promotes the rights and welfare of all our children. If a child tells you something, keep calm, listen, do not question, never make any promises. If you have concerns, or if a child discloses something to you, inform Ms Knowles or Mrs Butler immediately.
