The
Affinity
Federation

Dear Parent/Carer,

7th April 2022

ELECTION OF PARENT GOVERNORS

You are invited to stand for election as a Parent Governor, or nominate another parent to do so. In our school we have provision for 1 Parent Governor (and there is currently 1 vacancy) who will serve on the Governing Board of The Affinity Federation (which our school is a part of) for 4 years. No qualifications are required to become a Governor, the most important thing is to have a keen interest in the school and be prepared to play an active part in the Governing Board's work. The Governing Board also has Local Boards for Willenhall which the new Parent Governor would be asked to participate in. Governors attend three meetings a term (usually in the evening).

Training is available to all Governors and the Board has an expectation that new Governors attend a free induction training session.

The Governing Board has three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the Head Teacher to account for the educational performance of the school and its pupils;
and
- Overseeing the financial performance of the school and making sure its money is well spent.

Any parent seeking to be elected as a Parent Governor should be willing to undertake a disclosure from the Disclosure and Barring Service. If a parent refuses to undertake such a disclosure then they will be ineligible to stand for election to the governing Board.

Please find over the page a summary of the circumstances under which someone can serve as a Governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority, are not eligible to stand in these elections. Nominations must be from parents or carers with children at the school on the day that nominations close.

If you would like to stand for election, please complete the enclosed nomination form and return it to the school no later than **Friday 6th May at 10am**. You may also include a short personal statement to support your nomination, which should be no longer than 250 words. Self-nominations will be accepted but if you are nominating another parent, please seek their prior consent.

Should 1 nomination be received by the official closing date, the candidate will be duly elected unopposed. In the event of there being 1 or more nominations an Election will take place. Information on voting arrangements will be sent to you at a later date.

Yours sincerely,

Head Teacher (Returning Officer)

Ambitious young minds are the future leaders of our community

This is a summary of the relevant Regulations, which have legal force. If you are already a Governor and any of the above apply you should tell the Clerk of the Governing Board. A newly appointed Governor will be asked to make a disclosure to the Disclosure and Barring Service who would identify any criminal offences which apply. The same provisions apply to Associate Members of Governing Board committees.

This is a simplified summary of the School Governance (Constitution) (England) Regulations 2012, The School Governance (Constitution and Federations) (England) (Amendment) Regulations and amendments (2017) and is not an interpretation of the law. Anyone seeking clarification of any of these provisions should contact the Governor Support Service in the first instance.
