Ordering School Meals – Update for All Parents

Dear Parents

The majority of parents are now in the habit of pre-ordering their child's school meals through Pay360, which is fantastic!

We still have a few children whose meals are not being ordered in advance. This means that teachers are spending too long each Monday morning choosing meals for the week with these children. This is impacting on teaching time which cannot continue, so we are making the following change:

From Tuesday 7th June - if you have not pre-ordered your child's meal choices through Pay360, the school will order the meat or vegetarian option for them, depending on the dietary information that we hold.

Meals should be ordered for **ALL** children, even those in Reception, Year 1 and Year 2 entitled to universal infant free school meals. If your child has a packed lunch please select this option in Pay360.

It will be better for your child if you have ordered a meal that you know they will enjoy so we do encourage you to log in to Pay360. We have re-attached the guide that we sent out previously to get you started.

Please contact the school office if you need any further support with this.

Yours faithfully

Ms L Knowles
Head Teacher

As individuals we are unique. Together we make a community.
