Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.</p> <p>Please see note above</p>	58%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	42%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	42%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes/No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22	Total fund allocated:	Date Updated:		
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p>				
Intent	Implementation		Impact	
<p>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</p>	<p>Make sure your actions to achieve are linked to your intentions:</p>	<p>Funding allocated:</p>	<p>Evidence of impact: what do pupils now know and what can they now do? What has changed?</p>	<p>Sustainability and suggested next steps:</p>
<p>By having the lines re surfaces we are able to run a number of clubs on the MUGA and also hold competitions/ fixtures in netball and football.</p>	<p>MUGA made fit to use safely for our pupils. This will increase the areas pupils can get active during the winter and it can be used for a number of clubs and lunch time activities.</p>	<p>£ 1,635</p>	<p>Had over 50 pupils taking part in netball clubs throughout the year. Enabled us to run a football club for 40 pupils in the winter.</p>	<p>TA to work with more groups of children and target the less active ones.</p>
<p>Provide more equipment that can be used during extra-curricular activities which will provide more opportunities for children to be active.</p>	<ul style="list-style-type: none"> - Identify clubs that we would like to run. - Identify which clubs will need equipment to ensure children can have the best possible experiences. 	<p>£1,438</p>	<p>New clubs such as boxing have been included in our offer. New equipment for athletics and football has been purchased to help us carry on offering these clubs.</p>	
<p>Children to attend who do not meet weekly reading requirements. Children will do half the session reading and then are rewarded by taking part in rugby sessions with the coaches and TA who worked with the children.</p>	<p>-Identify children who with rugby and reading sessions could be encouraged to read more at home.</p>	<p>£250</p>	<p>Children took part in a reading session and then the extra session of PE was an incentive which encouraged the children to read each week.</p>	

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement

What has changed?:	Sustainability and suggested next steps:
To provide new experiences to support a lifelong engagement in sports and activities: Extra-curricular Clubs	Children offered a range of clubs to take part in that will ensure links are being made in the community with sports for the children to carry on participating when they leave school.	£2075	85% of pupils in the school have accessed a club this year. 87% of pupil premium pupils have taken part in an extra-curricular activity this year.	Maintain links with clubs/organisations that have provided extra-curricular activities this year.
Sport specific equipment has been ordered to increase the range of clubs that we offer our pupils.	We have introduced some new clubs that pupils haven't experienced before whilst also making active links with the community groups. Boxing, athletics, gymnastics and extra football sessions can now take place to engage more pupils.	£2,957	We have engaged an extra 110 (20 boxing, 20 rugby, 20 football, 30 athletics) pupils each week in extracurricular activities by providing these clubs.	
Work with the Horse and People project to prepare some identified pupils for secondary school.	-Work with Horse and People Project staff to tailor a programme that will benefit our pupils. -Identify pupils who will benefit from the programme.	£1,150	6 Year 6 pupils were identified who would benefit from working with horses to increase their confidence and assertiveness.
